Fest Stalking: Sunset Junction Day 1

August 23, 2008

Name: Dr. Cheryl Rifkin (aka Bag Lady)

Occupation: Chairman of the Silverlake Chamber of Commerce Green Committee.

How'd you get here? My office isn't far from here so I just walked over.

Why did you want to come to Sunset Junction? To make Sunset Junction green! We offer to try and make SJ as environmentally friendly as possible, making as little waste as possible.

Is it hot under there? It's very hot but its totally worth it.
